The Coppel Alumnae Panhellenic Association (CAPA) is a non-profit organization. One of the organization's main goals is to extend opportunities of sorority life and interpret the fraternity system to the Coppel community. This is accomplished by performing valuable community services such as the awarding of scholarships, philanthropic projects, and fraternity information programs to prospective and active college women.

This year, we hope to award two scholarships, given in memory of Jeanne Heath, a charter member of CAPA, to two active sorority members. The application for the scholarships can be found on the CAPA website at www.coppellsororities.com. If you wish to apply, please complete and mail your application to the Scholarship Chairman (address above).
